Dear Parents/Carers,

- **Healthy School update**

Can I firstly thank all the many parents who have helped to start our journey to becoming a Healthy School. The children have loved the fruit at break time and said how much they love drinking water. I understand that change can't happen "over night" but already, after one week, we are well on the way.

- **Gardening project**

As you may have seen on Twitter and Class Dojo, we have started our "No dig, sustainable growing project this week on the school field. Every child from Nursery to Year 6 has contributed to laying the soil, planting tomatoes, peas and beans and watering the plants. Already, the feedback from some of you has been amazing and some parents are even telling me that their children want to start this at home. Educating the children about how to grow their own food, stay healthy and making a very positive and enjoyable experience is exactly what we are trying to do. If you would like to help out please come along on a Thursday afternoon at 2pm to work with your children to develop our exciting project further.

- **Criw Cymreag (Welsh Club)**

This term, Criw Cymraeg are continuing their exciting new project. Please can you keep sending in as many coloured milk bottle lids as you can. Watch this space! Criw Cymraeg will also be running our Fruit Tuck shop from Monday.

- **Dinner Money**

Thank you to those parents who have paid outstanding dinner money. The debt is coming down and the school fund is looking much healthier. However, there is still quite a bit of dinner money still outstanding for some children. Please can you pay this by the end of next week. As I said last week, any outstanding dinner debt at the end of the year will have to be covered by the school. This money would be better spent on your child's education. So please can you make sure that you help the school by settling your account asap. Thank you.
