**Craft club for Reception class, Yrs 1 and 2 will be starting soon**

### **Healthy eating**

Whilst I understand that trying to become a healthy school isn't easy, can I please, please ask that you only send your children to school with healthy snacks for break. We have a selection of fruit for the children, which they absolutely love. I know and understand that some children have specific diets and there are always exceptions, but if we can work together on this it would be great. If you have any questions about what being a healthy school means to the children, please don't comment on social media, come and speak to me or any member of staff.

As always, if you need to speak to me please contact the office on 01495-303631

Yours sincerely,

Mr J. Price (Headteacher)
