Dear Parents/Carers,

Please see below for updates and reminders for the coming weeks.

- **Safeguarding**

As I mention every week, safeguarding the children is a priority at school and the most important part of everyone's job at All Saints. If you have any concerns, please talk to us about this. We talk regularly to the children in assemblies and in class about how to stay safe in school and outside school. As a staff, we stress the importance of speaking to any trusted adult in school about anything that's bothering them. If you would like to know more about how and what we talk about to the children, or even if you would like advice about any aspects of the safeguarding roles in school, then please come into school and talk to myself, Miss Basini or Miss Meadows.

- **Criw Cymreag (Welsh Club)**

This term, Criw Cymraeg are continuing their exciting new project. Please can you send in as many coloured milk bottle lids as you can. Watch this space!

- The Welsh phrase of the week is “ **Sut Mae tywydd heddiw?**” This means “What's the weather like today?” Please can you practice this with your children at home.

- **Netball**

Well done to the children who took part in the netball tournament last week and a big thank you to all the parents for their support.

- **PRIME Energy Drinks**

As I said earlier in the week, please can you make sure that your child does not bring any energy drinks into school, especially “PRIME”. Several children have brought Prime bottles into school saying it's water or squash but as a school it's impossible for us to check. Thank you for your understanding.

- **Dinner Money**

There is still a lot of dinner money outstanding for some children. Please can you pay this by the end of next week.

- **Important Date reminders:**
