Attendance reminder

I cannot stress enough how important it is for your children to be in school on time and in school every day. I understand that if your child is ill they cannot attend school. However, If your children miss school for 5 days or more in a term then the Education Welfare Officer may call to your house and you may have a Fixed Penalty Notice served. Ensuring that your children receive the best education they can is the most important part of my job. If they miss school they miss out.

Have a lovely half term and see you on **Tuesday 24th February**.

As always, If you need to speak to me, please contact the school on 01495-369243.
