- **Emergency Lockdown Drill**

This afternoon we carried out a fake lockdown drill. Please be reassured that if your child mentions this, it wasn't a real emergency. It is highly unfortunate that we have to carry out such drills in school and it is extremely unlikely that we will ever have to do this for real, but having these types of drills from time to time (once a year) is in the interests of safety for everyone in our school community.

- **Footballs**

Please can I remind you that the children are not allowed to bring footballs into school from home.

- **CSL Community Pantry**

The *CSL pantry* is in the hall every Friday from 3:00pm. Please come and see what we have on offer.

- **SHEP (Food and Fun over the summer holidays)**

I am delighted to announce that we will be continuing our summer club for children currently in Years 3,4,5 and 6. It will start on Tuesday 21st July and run until Wednesday 5th August. If you would like your child to take part, please come to the office for details.

- **Coffee Morning**

We will be having a coffee Morning next Friday 24th April at 10am in the school hall. This will be for all parents (both existing and new). This will give you a chance to have a chat with myself and/or Miss Meadows and also an opportunity for you to join our new PTA. Please come along as everyone is welcome.

- **Go Yellow for The Hospice of The Valleys**

As well as the coffee morning next Friday we will also be having our annual Go Yellow day. Please feel free to send your children to school wearing something yellow (if you have it) next Friday. As always, we would greatly appreciate a donation of your choice to help the Hospice of The Valleys charity, but I understand that this isn't always possible, so please don't worry if you are unable to, your child can still wear something yellow in support.

- **Make up and false nails**

Can I politely remind everyone that the children are not allowed to wear false nails and/or make up to school. This is for both health and safety reasons and it is a breach of our school rules.

- **End of the day: Year 3 and Year 4 only**

From today, the children in Year 3 and 4 will be leaving school via the main green gate outside the front of the school. It is essential that no one enters the school car park at the end of the day for safety reasons. Please can you wait outside the green gate and the teachers will bring your children to you.

- **Safeguarding**

As I mention every week, safeguarding the children is a priority at school and the most important part of everyone's job at All Saints. If you have any concerns (for example, keeping your children safe on-line at home), please talk to us about this. We talk regularly to the children in assemblies and in class about how to stay safe in school and outside school. As a staff, we stress the importance of speaking to any trusted adult in school about anything that's bothering them. If you would like to know more about how and what we talk about to the children, or even if you would like advice about any aspects of the safeguarding roles in school, then please come into school and talk to myself, Miss Basini or Miss Meadows.

As always, if you need to speak to me, please contact the school on 01495-369243

Have a lovely weekend,

J Price
